Closed-Circuit Television Privacy Notice

The primary purpose of Closed-Circuit Television (CCTV) cameras at Southern Community Church of Christ (SCCC), which also houses Cheltenham Community Centre (CCC), is to enhance security by preventing crime, protecting property, and enhancing the ability to provide a safe environment for employees, our members and participants, contractors, students, visitors and other stakeholders. CCTV cameras may also help to verify incidents on the property to support an evidence-based response.

CCTV cameras are installed in both the Main Building and Pine Street buildings but are not installed in areas where there is a reasonable expectation of privacy, such as:

- Inside Minister's offices
- Counselling rooms
- Toilet areas and showers
- Designated nappy change areas.

Cameras may be located in nearby hallways and doorways.

The CCTV system is managed by SCCC in-line with our CCTV and privacy policies.

If you have any questions or concerns, please contact the SCCC privacy officer by phone 03 8541 9710 or email: monique@southerncofc.org.au. Alternatively you can enquire at the church office by phone 9584 8499 or email admin@southerncofc.org.au
